Leaders in tanker loading systems

“Large regional fuel distribution company covering South West England

‘We commissioned the first IFC skid unit and from then on it worked without fault. I was so impressed that we had no reservations in placing an order for a second skid- truly a well built, reliable piece of vital equipment’

Robert Weedon – Managing Director

[Mitchell & Webber](#)

“Independent fuel distribution company covering central and Eastern England

‘We were very pleased with the speed and efficiency of the bottom loading conversion as IFC had been given a tight timetable to carry out the project.’

Philip Dawes - Managing Director
